About Payments

Disclaimer: Detailed information about some benefits payments may not be available online. For example, payments made in amounts less than \$1 for direct deposit or \$5 for mailed checks will not be displayed in your online payment history. Gross payments and modifications will display only for recurring and irregular compensation payments. If you have questions about payments made by VA, please call the VA Help Desk at 1-800-827-1000.

Payment Dates: VA pays benefits on the first day of each month for the previous month. But if the first day of the month falls on a weekend or holiday, payment is made on the last business day of the previous month. Example: If May 1 is a Saturday, then benefits would be paid on Friday, April 30.
